CERTIFICATIONS

CSCMP Supply Chain Foundations: The Essentials Professional Certificate — August 2025

WORK EXPERIENCE

noon (E-commerce) | Abu Dhabi, UAE
Senior Executive, Fulfillment and Supply Chain | October 2025 – Present

- Managed end-to-end bonded warehouse fulfillment operations in the UAE under Abu Dhabi Customs regulations, owning capacity planning, manpower planning, infrastructure planning, and peak-season readiness; partnered with Commercial and Logistics teams to align Service Level Agreement (SLA) cutoffs for delivery planning.
- Launched bonded warehouse fulfillment operations in Saudi Arabia (KSA), designing and implementing the end-to-end fulfillment process (inbound to outbound) from the ground up.
- Led externalization (third-party logistics, 3PL) fulfillment operations for multiple clients across UAE and KSA, partnering with Technology to design dedicated Warehouse Management System (WMS) platforms per client and with Logistics to define serviceability, daily capacity planning, and delivery execution.
- Owned client relationship management for externalization accounts, resolving service escalations and maintaining strong client satisfaction across multiple partnerships.
- Directed cross-border inbound fulfillment operations from China and India, ensuring full SLA adherence for on-time receiving and dispatch, and designed a shipment consolidation process that reduced shipment breaking and associated handling costs.
- Cross-trained fulfillment teams across bonded warehouse and externalization operations in UAE and KSA, building flexible, multi-skilled operational capacity.
- Delivered leadership governance reporting across fulfillment, cross-border, and externalization operations, giving senior stakeholders visibility into operational performance.

BidFood Middle East | Dubai, UAE
Supply Chain Analyst Intern | May 2025 – September 2025

- Analyzed daily freight and market data to track cost trends and support decision-making.
- Proposed automation of freight forwarder selection through a weekly email bot, improving cost visibility and efficiency.
- Created Power BI dashboards to automate and streamline reporting processes.
- Assisted with demand forecasting, planning, and purchasing to align with future inventory needs.
- Negotiated Incoterms with suppliers and coordinated last-mile delivery from port to warehouse, optimizing cost and transit efficiency.

noon | Dubai, UAE
Ops Excellence Analyst Intern | October 2024 – April 2025

- Supported the Ops Excellence team in creating data-driven reports to guide daily operational decision-making.
- Drafted and designed internal newsletters highlighting key operational trends and performance insights.
- Contributed to the improvement and automation of existing warehouse and fulfillment processes to enhance efficiency.
- Authored Standard Operating Procedures (SOPs) for newly introduced processes to ensure clarity and consistency.
- Analyzed operational data to identify trends and opportunities for future process optimization and automation.

Qlub | Dubai, UAE
Operations Intern | August 2024 – October 2024

- Liaised with restaurant managers to identify sales improvement strategies and operational gaps, enhancing overall platform engagement.
- Created detailed performance analysis reports based on on-ground observations and data insights.
- Assisted partner restaurants in increasing their Gross Merchandise Value (GMV) on Qlub by up to 30 percent.

Virgin Megastore | Dubai, UAE
Buyer Intern, Commercial Team | December 2023 – June 2024

- Assisted a team of senior buyers in implementing promotional activities across multiple regional stores, ensuring timely execution and alignment with marketing strategies.
- Conducted regular stock rotations to maintain optimal inventory levels and merchandise freshness.
- Compiled and shared weekly sales data with suppliers, providing insights into sales performance and inventory needs.
- Prepared and distributed detailed weekly reports analyzing performance metrics, including Month-to-Date (MTD) and Year-to-Date (YTD) comparisons.
- Supported the negotiation process with suppliers to secure favorable terms and pricing.
- Collaborated with cross-functional teams, including marketing, logistics, and store operations, to ensure cohesive execution of merchandising plans.
- Monitored market trends and competitor activity to support strategic purchasing decisions.

DreamUniforms | Dubai, UAE
Business Development Intern | April 2023 – July 2023

- Used AI technology for data generation and analysis to support strategic decision-making.
- Created an AI-driven chatbot to streamline customer service and enhance user experience.
- Developed a fully functional Shopify website for the company, streamlining the shopping experience and increasing customer engagement.
- Implemented online advertising campaigns through Facebook and Google Ads, increasing website traffic and conversion rates.
- Managed and executed email marketing campaigns, including newsletters, improving customer retention.
- Built customized websites for B2B clients under DreamMED, expanding the company's service offering.
